GALLI-CURCI WILL
BECOME U. S. CITIZEN
Chicago, Jan. 9.— (I. N. S.)—
Amelita Galli-Curci, the noted
singer of the Chicago Grand Opera company, was granted a final decree of divorce today from her husband, Luigi Curci.

The singer made a final set-tlement of \$80,000 on her hus-band for any and all property which they may hold together

"I paid him," she said, "and called it quits. Now I'm on my way to the federal building to become an American citizen."

the Southern Methodist church, Knoxville, Rev. C. K. Mahoney offi-

The bride is the younger daughter of Henry F. Kinser, of this city, and has a host of friends here. She is a graduate of City High school.

Mr. Smith is a young business man of Petersburg, Va.

MISS KINSER HONORED

Miss Carrie Kinser was the gues honor at a miscellaneous shower Monday evening given by Miss Mary Freeman and Miss Grace Smith at the home of Miss Freeman on West Fifth street. The color scheme of pink and white was carried out in the decorations. Contests in rhymes for the future of the bride were enjoyed. An ice course, frezen in the forms of hearts and slippers, was served. The gifts were presented to the honoree by little Miss Frances Ware, dressed in raincoat with um-brella just from a shower. The guests numbered twenty-five,

Says: Dr. Leonard Keene Hirshberg of John Hopkins University

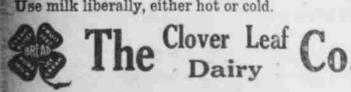

"Morbid states of health and infections like influenza are most common among those who have

sickness as milk." "Proofs in abundance show that pasteurized milk is probably the greatest factor of safety for your nutrition

and protection against disease. "Milk used in combination or each used sepa-

rately, either cold or warm, are excellent 'warder off' of that scourge called 'Spanish Influenza.' They act as preventatives because they build up bodily resistance to the disease.' Use milk liberally, either hot or cold.

'Our Wagons Are Everywhere'

Active Steps Taken to Provide Detention Home

means of bettering conditions were made at the regular meeting of the Women Voters' league Thursday afternoon at the courthouse. Following in Colifornia where the women were fully enfranchised, and said that "we expressions of the needs of a detention home, Mrs. George F. Milton, state president, moved that the matter take some tangible form and that steps be taken at once to secure a detention for children and women pending trial. steps be taken at once to secure a detention for children and women pending trial.

Upon motion of Mrs. Milton that a committee be appointed by the president, Mrs. D. P. Montague, appointed the following. Mrs. G. F. militon, chairman; Mrs. E. Fenton dealt with by the abatement of Militon, chairman; Mrs. E. Fenton dealt with by the abatement of Moore, Mrs. Margaret Harris, Mrs. redlight district, so that now a referendant of Mrs. D. F. Beckham, endum on the liquor vote would ally endum on the liquor vote would ally Willingham. This committee was which voted instructed to look at suitable sites amendment. and report to the city commissioners regarding cost and other details.

Mrs. Marshall's Views. Mrs. Rachael Marshall, police matron, stated in a talk made by re quest, that a place would be needed with a yard large enough for a di-vision of the boys and girls, if only one home should be provided. She suggested smaller homes and someone at each to take care of the of a recent instance where two small Oaks, because there was no other home for them, yet they had done nothing themselves to bring them

within the jurisdiction of the law.

Miss Rachael Edwards, director o new clinic under the auspices of the Red Cross, spoke of the need of surrounding the girls confined in the jail with influences to improve them morally as well as physically. A girl may be turned out with a clean bill

Later in the meeting Mrs. Y. L. Abernathy made a plea for clothing and co-operation in the interest of the girls at the jail, whereupon Mrs. W. E. Wheelock was appointed chairman of a committee to co-operate with the matrons at the jail in

loking after the welfare of the girls.

Favors Prohibition.

Mrs. J. M. Trimble spoke in behalf of the prohibition cause and asked the league's indorsement of the passage of the amendment, and support in the enforcement of the law in in the enforcement of the law in Chattanooga. She stated that she had heard it said that there were so many bootleggers in Chattanooga that they had to wear badges to keep from selling to each other. Mrs. Trimble said the saloon was going

Shoulder Blades Shudder on Screen

Addresses of vital human interest to the British parliament. However, and discussions of the ways and the boasted democracy of today, he means of bettering conditions were claimed, hadn't yet given women. Be More Deadly Than the Male.

> There are all sorts of ways of regstering thrills in the movies. Ethel Clayton does it with her shoulder blades in "More Deadly Than the Male." This photoplay, which takes its title from a thoughtless remark FRANCES WILLARD BOARD of Rudyard Kipling's, gives the actress the opportunity of wearing

ommend tt. Edward Coxen as Richard Carlin, voted favorably on the federal who makes a business of looking for Carlin likes jungles and Suki snakes and cave women, and so on. The In speaking of the woman prob-em, Dr. Murkett placed the blame of actress-manager, who is labeled as "one of the workers of the world," takes a little time off from her labors downfall more directly upon e" than upon alcoholism, saying nine-tenths of the girls who passed through the moral association were not addicted to liquor as much as and stages a jungle scene wherein she and the Suki snake figure prom-Touching upon the venereal The doughty adventurer falls for I

-Sukt snake, cave woman and all.

As is frequently the case in the best of movies, unforeseen circumstances take a hand in the development of the plot, and things turn out in a way Helen hadn't exactly expected.
Good Kentucky Story.
There are echoes of a bygone past
in the photoplay "In Old Kentucky," lieved in placing the opportunity of development equally before every citizen of the United States. In his reference to detention sta-

which is being shown at the Alcazar today. There is a fancy dress ball, at which everybody looks exactly like the portraits of your grandmother or grandfather. There is a Kentucky colonel who lives up to the best traditions of Kentucky colonels, in that he vehemently asserts that it is suicide for a man to restrict himself to one mint juiep a day, but valiantly courts death for love of the fair Miss Alathea, whom he has been vainly striving to propose to for twenty

Of course, a Kentucky story couldn't be complete without a horse race. This horse race, like all horse races in fiction, is accompanied by aces in fiction, is accompanied by a darksome plot whose motive is the linancial ruin of the hero. Anita Stewart as Madge, the mountain girl, who comes to the Blue Grass regions on account of her love for Frank! Layson, is very charming in the role of jockey. Madge rides Queen Bess to victory after the real jockey has been put out of the running by the wiles of the villain, circumvents other plans of said villain, and in general

OFFERS AVERAGE BILL

Bowman brothers, blackface comedians, are leaders in fun-making at the Risito this week. While the entire hill is above the average, their act clearly leads them all. Wire and Walker have some new and daring aerial stunts, and Allan Shaw, direct from the Palace theater, London, proves to be the money-making wizard. He picks coins out of the air and most any old place. Lamb's manikins, tiny stars from toyland, furnish fun for the kiddles as well as for the old. May, Kilduff and Allerton have only a fair performance in their comedy - theater - property - man stunt.
